

***Town of Discovery Bay***  
***A California Community Services District***  
***"Friday Letter"***  
**To the Board of Directors**  
**October 23, 2015**

From: Rick Howard, General Manager

**General Manager/Administration:**

- ✓ Tonight kicks off our fall movies in the park series! Stop on by the Community Center around dusk and catch the ever popular Hotel Transylvania! Bring a blanket and enjoy the evening under the stars.
- ✓ You'll notice a few new flags waiving around town in the next couple of weeks! The old logo flags have been replaced with new flags showing the Town "Seal", and will be flown at our facilities:

- ✓ As I noted last week, PG&E is doing gas pipeline replacement/repairs to their main transmission lines in the area. They are currently working on the fields on both sides of Highway 4 adjacent to the Sandy Cove Shopping Center. PGE is disposing of their

groundwater by transporting the water to our wastewater treatment plant via 4,000 gallon water trucks (approx. 20 trucks/day at 10¢/gallon). They are also going to be initiating another similar project in the Lakes, which will also result in their water being disposed of at our plant. This project will result in the water being pumped into our sewer lines in the area and fed to the wastewater plant (at a rate of 7.5¢/gallon).

- ✓ On Thursday our staff, along with Veolia staff, participated in a day-long CPR/AED/First Aid training session. This training is conducted every two-years and is required by law for all public works employees. The training was conducted by a recently retired fire department paramedic under contract to Du-All Safety, our workplace safety consultant.

- ✓ As you know, we here at the office like to keep up on pop-culture, and this past week was no exception. Twenty-five years ago on October 21, 1985, Marty McFly and Professor Brown took the DeLorean Time Machine into the future to October 21, 2015! While the Cub's actually did have a chance to win the 2015 World Series (hey, they made the playoffs, that's close for them!), Marty McFly did indeed stop on by for a visit to the office. Here's a photo of our own Aaron, AKA, Calvin Klein...

### **Important Dates:**

Upcoming important dates are as follows:

- Halloween – Saturday October 31, all day. Ghosts and Goblins rule the night!
- Time changes NEXT Sunday, November 1<sup>st</sup> at 2:00 am. We'll fall back in time and get that extra hour of sleep we lost last spring!
